BOOK LAUNCH—Beverly Hills master glass artist Millicent Gappell celebrated the release of her coffee table art book *The Art Of Myths And Music* at a recent book launch party attended by names in the world of music, theater and art.

Gappell's museum-quality works focus on Greco-Roman myths, and her new book is a compilation of glossy color photos of her unique mosaic designs, plus a CD of select piano pieces played by Gappell herself and intended to reflect her works. ■
